

# CODE REVIEWS TO BEGIN

## 2005 MICHIGAN BOILER RULES AND 2005 MICHIGAN ELECTRICAL CODE

The Bureau of Construction Codes and Fire Safety is accepting proposed code changes for the Code Advisory Committee review phase of the [2005 Boiler rules](#) and [2005 Electrical code](#).

Review of the boiler code begins May 2005 with electrical code review slated for June.

Please use the '[Proposed Code Change for 2005/2006](#)' form to submit your suggested code changes.

### INSTRUCTIONS

1. Check the code or codes for which amendments are being proposed.
2. Provide the name of the local government, organization, or individual proposing the code change.
3. Provide the name, address, telephone number, fax number and email address of the contact person to supply information on the proposed changes as needed.
4. Indicate the section, table or figure your proposal affects.
5. The specific section for which an amendment is proposed should be listed. The **entire section** should be reproduced, including the proposed amendatory language.

All added words should be **in bold type**, all deleted words should be struck through.

***Please use a new form for each section of the code for which you propose an amendment.***

If more than one page is needed for reproducing the affected section of the code, additional pages may be attached.

6. Thoroughly explain the need and reason for the proposed change including any anticipated benefits, and economic cost or savings realized by the proposed change, as well as any other information appropriate to assist the Bureau and committee in a clear understanding of the issue. During the rulemaking process, the Bureau must defend the need and reasonableness of all proposed rule changes; therefore, a detailed explanation is necessary to ensure the committee thoroughly considers all aspects of the proposal.
